GIN SCHOOL

GLASGOW

Glasgow gin lovers rejoice! Eden Mill's renowned Blendworks Gin School is coming to Princes Square this year.

Following the success of our flagship Blendworks Gin School in St Andrews, we are excited to be bringing the experience to the heart of Glasgow. Opening to the public on the 1st of December 2018, the Blendworks experience invites gin fans to learn about the trendy tippie, before creating their own blend in the bespoke Eden Mill classroom.

The session is priced at £65 with gift vouchers available for purchase online. This will include a two hour blending masterclass, complete with accompanying gins. Guests will come away with two 20cl bottles of their recipe and an Eden Mill tulip glass. The space will include a retail shop allowing gin and whisky fans to purchase exclusive Eden Mill products that have previously only been available in St Andrews and online.

Previous guests of the St Andrews experience include Scottish Rugby, Edinburgh Rugby, The Glasgow Warriors, Celtic F.C. and Hibs F.C. Next door to the bespoke classroom is Jax Bar, which promises fizz at lunch, a DJ and cocktails with dinner.
